Bill No. SB 69

Re: SB 69 sponsored by Senator Dave Wanzonried

I want to appear as a proponent to SB 69. I had the privilege of serving with Representative Bardanouve for many years. He was a well respected legislator, and I found him always willing to assist other legislators in budgetary matters that came up during legislative sessions.

Please show my support for SB 69.

Sincerely,

Senator Bruce D. Crippen

Senate President 1999
